All of the emergency cable lines have
been secured and orders telegraphed to
Chicago and St. Louis for all those cities

Rockford Goes for License.
ROCKFORD, Ill., May 25.—The battle between license and no-license in Cherry Valley, which resulted in a tie vote in the Council a month ago, was settled at a special election, the wets winning, electing L. A. Stringer, Alderman over L. A. Brown by 16 majority. This gives license one majority in the Council.

though the Philadelphia Times of Monday publishes, as coming from him, a statement similar to that contained in the Republic of last Saturday, the chairman denies that he has at any time contemplated such a course as has been outlined. Mr. Harrity has evidently hedged a trifle since last week.
